WHY CHOOSE Cornerstone Christian Academy?

What first began as educational support offered through testing and tutoring services at Cornerstone Counseling Center, quickly evolved into a need for a complete, effective academic program. CCA opened its doors in 2004, born of a desire to offer a whole day instructional program for students with learning differences. CCA strives to meet each child's need in a smaller, specialized program where he/she feels safe, loved and valued.

Our program is designed to meet the needs of students with cognitive abilities in the average or above range who have learning differences – neurologically based processing issues like ADHD, dyslexia, developmental processing issues, and Asperger's. Cornerstone's educational division (CCA) now offers testing, neurofeedback, tutoring, and whole day instruction.

Our Core Values:

- » **Faith** - modeling, teaching, and being shaped by a faith that is consistent with a Christian worldview.
- » **Integrity** - demonstrating exemplary lifestyles reflective of Christian ethics with accountability to each other, our students, and our community.
- » **Excellence** - providing outstanding, innovative educational programs that prepare our students for success in life.
- » **Community** - creating an environment of generosity and compassion that is responsive to the needs of those we serve.
- » **Partnership** - sustaining a partnership with families to enhance our students' character, learning, and development.
- » **Global Outreach** - presenting the message of redemption while living as trustworthy and accountable stewards within God's creation.

"CCA has truly been a blessing to Ryan and our family! The teachers and staff are so accepting, caring and encouraging. CCA has addressed Ryan's academic, emotional, and spiritual needs; he has flourished under their care. CCA looks at the child as a unique gift from God, and treats each child as such. Ryan has been able to learn without the fear of bullying, pressures, unrealistic expectations, neglect, and discomfort. Everyone at CCA is patient, understanding, dedicated and Godly. As a parent, I know that Ryan is in a safe and loving Christian educational environment; what a wonderful feeling that is!"
