

Dear CCA Applicant,

Welcome to Cornerstone Christian Academy! Thank you for your interest in our educational program! We think CCA is a truly remarkable place, a safe and loving environment for students of all ages to learn and grow.

CCA offers a complete daily educational program uniquely for students in grades 1-12 who have an average or above average IQ and have an identified learning difference (ADHD and/or other learning disabilities). Our students are taught in a structured environment by certified teachers using a multisensory approach in small group settings. Due to CCA's commitment to a small group instructional setting, we have limited openings in each educational grouping. We strive diligently, through the admissions process, to attain an appropriate instructional fit within the established groupings.

Once the enrollment packet has been submitted, our in-house assessment will be scheduled along with an invitation for the student to spend a day at CCA or participate in 1-3 tutoring sessions (*refer to CCA Admissions Process*). Our in-house assessment is administered through *Cornerstone Counseling Center's Testing Division* with Abby Pulley (828-322-4941). Upon completion of the entrance assessment and the receipt of all enrollment paperwork (i.e. school records), CCA will schedule a follow up meeting to review assessment results and administer any other needed evaluations. Once all information has been received and reviewed, an admissions decision will be made. Please note this process can take a month or longer depending on how quickly requested information is received. The applicant will then receive an official admissions letter from CCA with the final admissions decision.

Please also note that each applicant must have a psychoeducational evaluation, current within the last three years, **prior to** beginning the enrollment/application process. If your student does not have an evaluation that meets our requirements, you can schedule testing through Cornerstone Counseling Center at 828-322-4941.

Thank you for your interest in CCA! We look forward to the opportunity to serve your family, as together, we strive for greater levels of academic understanding and success.

Blessings,

Deborah C. Hedrick
CCA Head of School
